'GET UP OFFA THAT THING'

on your
feet
Britain

Imagine if every office worker in
Britain took James Brown at his
word. You'd see a different aspect
of your colleagues, and you'd
soon find out who is The Wiggler,
The Wagglor, The Shaker or
The Flaunter.

On **29 April 2016** we're challenging the
nation to get **On Your Feet Britain**.
Take part in our second national day
when workers across Britain will sit less
and stand more.

Instead of emailing the person opposite,
do something revolutionary – walk over
and talk face to face. It's a good way to
do business and it'll do you good.

Ditch your usual lunch 'al desko' and take
a stroll outside. You'll get a spring in your
step and feel better for it.

Make that important call while standing
up. You'll feel more confident and burn
more calories than sitting.

Why not take it on as an office challenge
and free yourself from the office chair for
the day. Find fun and easy ideas online
to take part.
